From The Worthy Grand Master

Brothers,

I trust that you had a great holiday season and are hopeful and excited for a 2021 that may be seemingly more normal. As I speak to undergraduates throughout North America, it is apparent that while they really enjoyed an extended period of time at home, they are excited to get back on campus, and they are ready to take names and grow Kappa Sigma. Backed by the biggest and best volunteer alumni team in the fraternal world, the entire Supreme Executive Committee is also very excited to lead the way to ensure our Brotherhood continues to stay strong.

Few of us will forget 2020. It was a year of uncertainty and anxiety; but also a year of opportunity for so many. The unrelenting spread of the COVID pandemic, protests around the globe, and a contentious US presidential election. While all of us are experiencing these issues in our own ways, I have never been prouder of Kappa Sigma in the way our undergraduate chapters handled differences of opinion with tremendous empathy. While not always an easy thing to do, it shows the strength of our brotherhood which will have lasting positive effects on Kappa Sigma for generations to come. The Kappa Sigma brotherhood bridges our differences, even with a particularly partisan divide, we work together to support each other while continuing to win on campus.

While some view 2020 as a historically challenging year, we move forward from a place of hope, health, compassion, and determination. There has been so much we have been able to accomplish despite all of the excuses that could have been made. Many of those accomplishments are highlighted in this issue of The Caduceus of Kappa Sigma.

For the first time in Kappa Sigma history, we broke our own record, as well as the fraternal world's record, of more alumni volunteers than ever before. The goal of 1,500 volunteers communicated at the 150th Anniversary in Charlottesville, wasn't just achieved, but we took the time during the year to raise the standards on what it means to be a Kappa Sigma volunteer. After all, our undergraduates deserve great support so they can have a great experience with great outcomes. In addition, for the first time in Kappa Sigma history, all Kappa Sigma volunteers are also donors to the Kappa Sigma Endowment Fund. While it isn't about the dollars, it is all about the engagement. This exercise pushed communication throughout the district and helps ensure the right people are in the right positions to best support our most prized possession, our undergraduate Brothers. Beyond this biennium, my hope is that these small changes create a big difference as we take a long-term approach towards a culture of giving. If we all do our small part, Kappa Sigma will continue to solidify and expand the gap of our rightful place as Number One in the future.

Also highlighted are the tremendous accomplishments of our chapters. This was a year that anyone could throw in the towel, and most likely get away with it. As you will see, there were many chapters that took adversity, capitalized on it, and made sure that this was their best year in Kappa Sigma. Simply, we highlight our winners in this issue.

Visiting Charlottesville...

Visits to McCormick Hall, home of Zeta Chapter and 46 East Lawn, the birthplace of Kappa Sigma on the grounds of the University of Virginia, may be arranged through Headquarters. McCormick Hall has open house for visiting Kappa Sigmas on Saturdays during the academic year by appointment. Due to UVA rules, visiting Brothers who are not UVA students are not permitted to attend social events of the Zeta Chapter. When visiting Charlottesville, please respect that both McCormick Hall and 46 East Lawn are home to fellow Brothers and that activities on the Lawn and at McCormick Hall are subject to the rules of the University.

Feel free to reach out and offer your congratulations to these chapters and the Brothers highlighted - this wasn't just any other year of winning - this was a year of overcoming obstacles and keeping the eye on the prize for so many of our men.

I would also take the time to read the feel-good story about Kappa Sigma Brothers in the Pro Football Hall of Fame. It wasn't until this research was done that I knew that one of our own held the NFL record for passing yards in a game or that the 1980 Cleveland Browns had a Kappa Sigma Hall of Fame Lineman blocking for a Kappa Sigma NFL MVP quarterback (the Browns could probably use him now). Our Brotherhood has had winners in all areas you can think of, and I am really excited to have more of that highlighted in this issue. Special thanks to our Brothers of the Pi-Rho Chapter at the University of Akron for the photos in this section.

Brothers, as we move into the last semester of this biennium, I want to thank all of you that have supported Kappa Sigma in any way. I could not do it alone, the SEC could not do it alone, and our undergraduates could not do it alone. The time and treasure is appreciated - the late night phone conversations helping a brother are appreciated - and you are appreciated.

A.E.K.D.B.

Kappa Sigma Military Heroes Campaign Adds New Beneficiaries

Since the Kappa Sigma Military Heroes Campaign was launched in 2007, Kappa Sigma Chapters have raised nearly \$2 million in support entering the biennium. The Military Heroes Campaign was actively engaged in supporting five worthy veteran's charities. Each partner has been vetted to be 100% veteran focused, so that 100% of funds generated by the Military Heroes Campaign can support veterans.

This biennium, due to our overwhelming success, Kappa Sigma has added three new beneficiaries of the Military Heroes Campaign:

Catch A Lift Fund: The Catch A Lift Fund enables post 9/11 combat wounded veterans all over the U.S. to recover and rehabilitate both physically and mentally through physical fitness, motivation, and support. The Catch A Lift Fund is based in Timonium, MD. www.catchaliftfund.org

MinorityVets: Minority Veterans of America (MinorityVets) is a non-partisan, 501(c)(3) non-profit organization designed to create belonging and advance equity for underrepresented veterans. MinorityVets performs case work to help

minority and underrepresented veterans in need access social services and increase financial stability. MinorityVets is based in Seattle, with chapters in Richmond, VA, and Atlanta. www.minorityvets.org

True Patriot Love: True Patriot Love has been chosen as the Kappa Sigma Military Heroes Campaign's first ever official Canadian beneficiary. Kappa Sigma Chapters in Canada are encouraged to donate funds raised for the Military Heroes Campaign directly to True Patriot Love. True Patriot Love is a national charity that supports military families, funds community-based programs, and contributes to the Canadian Institute for Military and Veteran Health Research. True Patriot Love is based in Toronto. www.truepatriotlove.com

The Kappa Sigma Military Heroes Campaign currently partners with a number of beneficiaries. Each partner has been vetted and verified to be 100% veteran focused, so that 100% of funds generated by the Military Heroes Campaign can support Veterans. Information on all these charities can be found at www.MilitaryHeroesCampaign.org.

These worthy partners join our existing Military Heroes Campaign beneficiaries

- SEAL Legacy Foundation: www.seallegacy.org
- Veterans Moving Forward: www.vetsfwd.org
- Veteran Success Resource Group: www.veteransuccessgroup.org
- Homes for Our Troops: www.hfotusa.org
- Warriors and Quiet Waters Foundation: www.warriorsandquietwaters.org

Created in 2007, the Military Heroes Campaign honors and aids thousands of military veterans and their families in communities throughout the U.S. and Canada. Since its inception, the campaign has donated nearly \$1.82 million to non-profit organizations who advocate on behalf of servicemen and women and those wounded in combat.

Kappa Sigma Surpasses Goal for Largest, Best-Trained Volunteer Corps

The Kappa Sigma Fraternity has surpassed its biennium goal of having the fraternal world's largest, best-trained volunteer corps of more than 1,500 volunteers. The Fraternity's board of directors approved

appointments in October, 2020, that allowed the Fraternity to surpass the 1,500 volunteer goal.

"Kappa Sigma is an alumni-driven organization, and volunteer alumni are directly involved in coaching and mentoring our undergraduates at the local level like never before. The support provided to our undergraduate members through our volunteers is immeasurable," said Worthy Grand Master Justin A. Hansen

Kappa Sigma's volunteer structure starts with the Supreme Executive Committee (SEC), its international board of directors. The SEC are all volunteers themselves, providing fraternity leadership in addition to their professional careers. The SEC appoints volunteer officers to directly help and mentor each undergraduate chapter and colony. Kappa Sigma appoints Alumnus Advisors (AAs) and Assistant Alumnus Advisors (AAAs) to advise the chapters on day-to-day opera-

tions. The Fraternity also appoints District Grand Masters (DGMs) and Assistant District Grand Masters (ADGMs) to locally promote Kappa Sigma's national programs. Many local volunteers also serve

on volunteer Commissions, which help run operational areas of the fraternity with the assistance of Headquarters Staff.

The volunteer goal was one of three main goals Kappa Sigma set to achieve at its 72nd Biennial Grand Conclave, held in Charlottesville, Va. The Fraternity set a goal of raising more than \$1 million over the 2019-2021 biennium during its Stephen Alonzo Jackson's Weekends of Giving, raising more than \$540,000 in 2020 with the 2021 edition yet to come. The Fraternity also set a historic expansion goal of establishing 40 new colonies and is having successful progress toward that goal.

"Great organizations thrive during times of adversity. The fact that Kappa Sigma continues to break records, such as having the largest and best-trained team of volunteers and mentors, shows that Kappa Sigma truly is a brotherhood like no other," said Hansen.

If you'd like to get involved, sign up for iPledge today!

For the first time in Kappa Sigma history, every volunteer officer for Kappa Sigma is a donor to the Kappa Sigma Endowment Fund!

These donations not only help the chapter scholarship fund - it raises the standard for volunteers, the same way that the standard has been raised for Kappa Sigma's undergraduates for years, resulting in record-breaking outcomes.

This milestone is a culture shift that changes Kappa Sigma forever. It is only fair to surround the undergraduates with successful volunteers who provide the right

mentorship and are "all in." The Fraternity appreciates the support from each volunteer.

Kappa Sigma hasn't raised dues since 1991 due to the large volunteer base and support from alumni, with fewer barriers to entry, chapters can give the gift of Kappa Sigma significantly easier, leading to a more diverse and thriving brotherhood for decades to come.

The iPledge Standard Reminds Us That Kappa Sigma is For Life

While philanthropic donations are an important part of our A Greater Cause program, it is important to remember that volunteering our time is just as important as giving our treasure. Kappa Sigma is an alumni-driven organization, and volunteer alumni are directly involved in coaching and mentoring our undergraduates at the local level like never before. Kappa Sigma has set a goal, by way of the iPledge Standard, of having the largest and best trained volunteer corps to help support our chapters. Alumni Volunteers make it possible for our undergraduates to continue giving back to their communities.

The iPledge Standard is focused on volunteer and alumnus development and works to provide a road map to ongoing alumnus involvement in Kappa Sigma Fraternity. Brothers who sign the iPledge Commitment Contract are pledging themselves to:

- **Follow Kappa Sigma on all social media platforms.**
- **Pay their Alumni Dues.**
- **Mentor an undergraduate.**
- **Become a Kappa Sigma volunteer.**
- **Become One of Jackson's Men within 5 years.**

iPledge seeks to bring into practice Kappa Sigma's belief that membership is "not for a day, or an hour, or a college term only, but for life."

Volunteer officers impact our undergraduates through:

- Leadership development
- Mentoring on professional development
- Team-building
- Advising on past experience with chapter operations
- Serving as good role models

iPledge asks our members to commit to doing five simple things to support our undergraduates:

- Become a Kappa Sigma volunteer
- Mentor an undergraduate
- Pay their alumni dues
- Follow Kappa Sigma on all social media platforms
- Become One of Jackson's Men within five years

Take the iPledge commitment today at www.KappaSigma.org/iPledge.

Seven Kappa Sigmas Inducted Into Pro Football Hall of Fame

The Pro Football Hall of Fame in Canton, Ohio is on the “Bucket List” of true sports fans as a must-see venue. The doors of the Hall of Fame facility were opened in 1963 and it has grown considerably since its opening. The facility has been expanded in 1971, 1978, and 1995, and houses a treasure trove of historic memorabilia which chronicles the history of professional football in America. The location of the facility is certainly appropriate as the American Professional Football Association, which later became the National Football League, was founded in Canton, OH on September 17, 1920. The Canton Bulldogs were also a powerhouse as one of the early Pro Football teams and a successful organization before the days of the National Football League. The Canton Bulldogs won Championships in 1922 and 1923.

In addition to the memorabilia and the historical items, there are busts of 346 players, coaches, owners and journalists who contributed significantly to the success of Professional Football in America. Of those inductees, 189 are alive today.

Among those inducted into the Hall of Fame are the following seven Brothers of the Kappa Sigma Fraternity:

Joe DeLamielleure (Theta-Psi, Oklahoma City University, '12), Hall of Fame (HOF) Class of 2003. After an All-American collegiate career at Michigan State, Brother DeLamielleure was drafted by the Buffalo Bills in the first round of the 1973 NFL Draft. Brother DeLamielleure was the leader of the Bills' “Electric Company” offensive line that helped O. J. Simpson become the first player ever to rush for 2,000 yards in 1973. He was named to every Pro Bowl from 1975 to 1980. In 1980, Brother

DeLamielleure was traded to the Cleveland Browns, where he blocked for fellow Kappa Sigma, quarterback Brian Sipe (Epsilon-Iota, San Diego State, '68), during Sipe's 1980 NFL MVP season.

Dan Dierdorf (Beta-Gamma, University of Missouri, '79), HOF Class of 1996. A second round pick, Brother Dierdorf played his entire 13-season career for the St. Louis Cardinals from 1971 to 1983. Brother Dierdorf was named to the NFL's 1970s All Decade Team and was named to the Pro Bowl six times.

Newer generations of football fans recognize Brother Dierdorf from his long tenure as a color commentator for University of Michigan football and both ABC and CBS NFL telecasts.

Ted Hendricks (Epsilon-Beta, University of Miami, '68), HOF Class of 1990. Born in Guatemala, Brother Hendricks was raised in south Florida and later became a star at the University of Miami, where he earned the nickname “the Mad Stork.” A second round pick of the Baltimore Colts, Brother Hendricks won

four Super Bowls as a member of the Colts and Raiders (both in Oakland and Los Angeles). Brother Hendricks was named to both the NFL's 100th and 75th Anniversary teams, four All-Pro Teams, and eight Pro Bowls.

► **MORE BROTHERS IN PRO FOOTBALL:**
See pages 12 & 13 for a complete list of Kappa Sigmas involved in Professional Football in North America.

Lamar Hunt (Delta-Pi, Southern Methodist University, '52), HOF Class of 1972. Kappa Sigma honored Brother Hunt as our 1972 Man of the Year for his great achievements to as a principle founder of the American Football League. The AFL was founded, in part, to bring pro-football to the State of Texas, where

Hunt founded the AFL's Dallas Texans. After the NFL's Dallas Cowboy's started expansion operations, Hunt moved his team to Missouri where they became the Kansas City Chiefs. Brother Hunt was instrumental in the AFL-NFL merger in 1966, and coined the term "Super Bowl" for the new merged championship game, which the Chiefs played in Super Bowl I. In honor of these accomplishments, the AFC Championship Trophy is called the Lamar Hunt Trophy to this day.

Jerry Jones (Xi, University of Arkansas, '63), HOF Class of 2017. Brother Jones is perhaps the best known professional sports owner in North America today. After a successful career in oil and gas exploration, Brother Jones purchased the Dallas Cowboys in 1989 and turned the franchise's fortunes around, winning three Super Bowls in four years between the 1992 and 1995 seasons. After his first Super Bowl win, Brother Jones was named Kappa Sigma's 1993 Man of the Year.

Steve Sabol (Beta-Omega, Colorado College, '61), HOF Class of 2020. Brother Sabol co-founded NFL Films in 1962 with his father Ed after he won the filming rights to the 1962 NFL Championship Game. Brother Sabol would go on to win more than 40 Emmy Awards, and his programming was key to the

foundings of both ESPN and NFL Network.

Norm Van Brocklin (Gamma-Alfa, University of Oregon, '46), HOF Class of 1971. Did you know that a Kappa Sigma holds the NFL record for most passing yards in a game? Brother Van Brocklin set the record back in 1951 with 554 yards in a game against the NFL's New York Yanks. The 37th overall pick in the

1949 NFL Draft, Van Brocklin would win NFL Championships in 1951 with the Los Angeles Rams and in 1960, when he was named NFL MVP, with the Philadelphia Eagles. Brother Van Brocklin was named to the All-Pro Team in 1960 and to the Pro Bowl nine times.

Brother Steve Sabol will be inducted into the Pro Football Hall of Fame for the class of 2020. Brother Sabol was President and one of the Founders of NFL Films, along with his father, Ed Sabol. He is also the recipient of the Pete Rozelle Award which is presented each year to someone who has made an outstanding contribution to the National Football League and to Professional Football. Brother Lamar Hunt is also a recipient of the Award. These seven Brothers have distinguished Kappa Sigma's presence in this honored shrine of one of America's most cherished pastimes.

The Kappa Sigma Fraternity has identified 92 Brothers who have played in the National Football League to date. The Fraternity is interested in recognizing additional names and asks that Chapters and Alumni send those names to Executive Director Mitchell B. Wilson at mic@hq.kappasigma.org. The Fraternity also identified three head coaches, two owners and one journalist who played, coached or provided color and commentary to Professional Football. Many of these Brothers and former players have memorabilia displayed in the Pro Football Hall of Fame.

If you have a visit planned for Canton, Ohio, be sure to visit the Pro Football Hall of Fame, view the busts and learn about the contributions of these seven Brothers that are displayed among some of our greatest heroes in sports. ★

Clockwise from left: Brothers from the Pi-Rho Chapter at the University of Akron visited the Football Hall of Fame to take photos of the busts of the Kappa Sigma Brothers who have been inducted to the Pro Football Hall of Fame. (Pictured L-R: Matt Toplack, Tyler Tolarchyk, Nick Smith and Trey Weber); Cleveland Browns teammates Brian Sipe (#17) and Joe DeLamielleure (#64); NFL Films album featuring the work of Brother Steve Sabol.

Kappa Sigma Brothers Who Have Played In The National Football League, Canadian Football League and World Football League

Players

Donny Anderson: Green Bay Packers/St. Louis Cardinals/Miami Dolphins (Epsilon-Phi, Texas Tech)

Steve Owens: Detroit Lions (Gamma-Kappa, University of Oklahoma)

Joe Parker: Chicago Cardinals (Tau, The University of Texas at Austin)

Ted Provost: Minnesota Vikings/St. Louis Cardinals (Alpha-Sigma, The Ohio State University)

David Psaltis: Chicago Cardinals/Green Bay Packers (Delta-Eta, University of Southern California)

Chuck Ramsey: New York Jets (Delta-Omega, Wake Forest University)

Mike Renfro: Houston Oilers/Dallas Cowboys (Theta, Texas Christian Univ.)

Floyd Rhea: Chicago Cardinals/ Brooklyn Tigers/Boston Yanks/Detroit Lions (Gamma-Alpha, University of Oregon)

Floyd Sagely: San Francisco 49ers/Chicago Cardinals (Xi, Univ. of Arkansas)

Dick Schafrath: Cleveland Browns (Alpha-Sigma, Ohio State University)

Perry Schwartz: Brooklyn Dodgers/New York Yankees (Beta-Xi, University of California, Berkeley)

Clyde Scott: Philadelphia Eagles/Detroit Lions (Xi, University of Arkansas)

Ralph Scott: Chicago Bears (Beta-Epsilon, University of Wisconsin-Madison)

Jerry Shipkey: Pittsburgh Steelers/Chicago Bears (Delta-Eta, University of Southern California)

Jackie Simpson: Baltimore Colts/Pittsburgh Steelers (Delta-Delta, University of Florida)

Brian Sipe: Cleveland Browns/New Jersey Generals/Jackson Bulls (Epsilon-Iota, San Diego State University)

Harry Smith: Detroit Lions (Delta-Eta, University of Southern California)

Bob Soleau: Pittsburgh Steelers (Nu, College of William and Mary)

Gus Sonnenberg: Providence Steamrollers (Gamma-Epsilon, Dartmouth College)

Billy Stacy: Chicago Cardinals/St. Louis Cardinals (Delta-Chi, Mississippi State University)

Jerry Stovall: St. Louis Cardinals (Gamma, Louisiana State University)

Joe Stydahar: Chicago Bears (Gamma-Phi, West Virginia University)

J.E. 'Brick' Travis: Rock Island Independence/St. Louis All-Stars (Beta-Gamma, University of Missouri)

Ryan Tucker: Cleveland Browns/St. Louis Rams (Theta, Texas Christian Univ.)

Ron Vander Kelen: Minnesota Vikings (Beta-Epsilon, University of Wisconsin-Madison)

Norm Van Brocklin: Los Angeles Rams/Philadelphia Eagles (Gamma-Alpha, University of Oregon)

John Vesser: Los Angeles Wildcats/Chicago Cardinals (Gamma-Theta, University of Idaho)

Jim Weatherall: Edmonton Eskimos/Philadelphia Eagles/Washington Redskins/Detroit Lions (Gamma-Kappa, The University of Oklahoma)

Jimmy Webb: San Francisco 49ers/San Diego Chargers (Delta-Chi, Mississippi State University)

Mike Weger: Detroit Lions/Houston Oilers (Epsilon-Eta, Bowling Green State University)

Howard Weiss: Detroit Lions/Milwaukee Chiefs (Beta-Epsilon, University of Wisconsin-Madison)

Loren 'Bob' White: Houston Oilers (Alpha-Sigma, The Ohio State University)

Harry Workman: Cleveland Bulldogs (Alpha-Sigma, The Ohio State University)

John Woudenberg: Pittsburgh Steelers/San Francisco 49ers (Beta-Omicron, University of Denver)

Head Coaches

Cam Cameron: Miami Dolphins (Beta-Theta, Indiana University)

John Micheloson: Pittsburgh Steelers (Gamma-Omega, Univ. of Pittsburgh)

Norm Van Brocklin: Minnesota Vikings/Atlanta Falcons (Gamma-Alpha, University of Oregon)

Owners

Lamar Hunt: Kansas City Chiefs (Delta-Pi, Southern Methodist University)

Jerry Jones: Dallas Cowboys (Xi, University of Arkansas)

Management / Executives

Tom Garfinkel: Miami Dolphins Vice Chairman, President and CEO (Gamma-Tau, University of Colorado)

Shy Anderson Jr.: Dallas Cowboys Scouting Assistant (Xi, Univ. of Arkansas)

Journalists/Media

Dan Dierdorf: Sportscaster (Beta-Gamma, University of Missouri)

Charlie Jones: Sportscaster (Delta-Eta, University of Southern California)

Steve Sabol: NFL Films (Beta-Omega, Colorado College)

KAPPA SIGMA FRATERNITY AWARDS RECAP

FOUNDERS' CIRCLE AWARD

The Kappa Sigma Founders' Circle Award is the highest award given to Kappa Sigma Chapters. The Founders' Circle Award recognizes the Fraternity's "best of the best" at the undergraduate chapter level. Founders' Circle Chapters succeed in all areas of Fellowship, Leadership, Scholarship and Service and set a shining example to which all Chapters should aspire.

Epsilon-Eta, Bowling Green State University

Epsilon-Eta Chapter Brothers celebrate winning their Founders' Circle and FACE Awards

Omicron-Omega, California State University, Stanislaus

Omicron-Omega Chapter Brothers celebrate winning their Founders' Circle and FACE Awards

Sigma-Upsilon, University of California, Riverside

Sigma-Upsilon Chapter Brothers celebrate winning their Founders' Circle and FACE Award

Theta-Zeta, Eastern New Mexico University

Theta-Zeta Chapter Brothers celebrate winning their Founders' Circle and FACE Awards

FOUNDERS' CIRCLE AWARD (Continued)

Xi-Beta, Northeastern University

Xi-Beta Chapter Brothers celebrate winning their Founders' Circle and FACE Awards

Xi-Rho, Stockton University

Xi-Rho Chapter Brothers celebrate winning their Founders' Circle and FACE Awards

FOUNDERS' AWARD FOR CHAPTER EXCELLENCE (F.A.C.E.)

Beta-Chi, Missouri University of Science & Technology

Beta-Chi Chapter Brothers celebrate winning their FACE Award

Beta-Psi, University of Washington

Beta-Psi Chapter Brothers celebrate winning their FACE Award

Delta-Chi, Mississippi State University

Delta-Chi Chapter Brothers celebrate winning their FACE Award

Delta-Gamma, University of Wyoming

Delta-Gamma Chapter Brothers celebrate winning their FACE Award

2020 Awards Recap

FOUNDERS' AWARD FOR CHAPTER EXCELLENCE (F.A.C.E.)

Delta-Mu, University of North Dakota

Delta-Mu Chapter Brothers celebrate winning their FACE Award

Delta-Omicron, University of Montana

Delta-Omicron Chapter Brothers celebrate winning their FACE Award

Epsilon-Mu, University of Tulsa

Epsilon-Mu Chapter Brothers celebrate winning their FACE Award

Epsilon-Rho, Kent State University

Epsilon-Rho Chapter Brothers celebrate winning their FACE Award

Gamma, Louisiana State University

Gamma Chapter Brothers celebrate winning their FACE Award

Gamma-Gamma, Colorado School of Mines

Gamma-Gamma Chapter Brothers celebrate winning their FACE Award

FOUNDERS' AWARD FOR CHAPTER EXCELLENCE (F.A.C.E.)

Gamma-Omicron, University of Kansas

Gamma-Omicron Chapter Brothers celebrate winning their FACE Award

Gamma-Tau, University of Colorado Boulder

Gamma-Tau Chapter Brothers celebrate winning their FACE Award

Nu-Phi, Northeastern State University

Nu-Phi Chapter Brothers celebrate winning their FACE Award

Pi-Iota, California State University, Chico

Pi-Iota Chapter Brothers celebrate winning their FACE Award

Rho-Delta, California State University, Northridge

Rho-Delta Chapter Brothers celebrate winning their FACE Award

Rho-Sigma, St. John's University-Staten Island

Rho-Sigma Chapter Brothers celebrate winning their FACE Award

2020 Awards Recap

FOUNDERS' AWARD FOR CHAPTER EXCELLENCE (F.A.C.E.)

Sigma-Xi, University of West Florida

Sigma-Chi Chapter Brothers celebrate winning their FACE Award

Tau-Gamma, University of Nevada, Reno

Tau-Gamma Chapter Brothers celebrate winning their FACE Award

Theta-Beta, California State University, Long Beach

Theta-Beta Chapter Brothers celebrate winning their FACE Award

Theta-Nu, Ashland University

Theta-Nu Chapter Brothers celebrate winning their FACE Award

ADDITIONAL AWARDS

AWARD	RECIPIENT	CHAPTER	SCHOOL/INSTITUTION
Outstanding Grand Master Award	Matthew D. Giffin	Theta-Nu	Ashland University
Outstanding Grand Master Award	Michael P. Wolfrum	Theta-Nu	Ashland University
Outstanding Grand Master Award	Daniel C. Magat	Tau-Omicron	California State University San Marcos
Outstanding Grand Master Award	Alex C. Davila	Pi-Iota	California State University, Chico
Outstanding Grand Master Award	Sebastian N. Macias	Pi-Iota	California State University, Chico
Outstanding Grand Master Award	Dennis Monascal	Theta-Beta	California State University, Long Beach
Outstanding Grand Master Award	Derek J. Mitsuuichi	Rho-Delta	California State University, Northridge
Outstanding Grand Master Award	Arjun S. Mann	Upsilon-Beta	California State University, San Bernardino
Outstanding Grand Master Award	Shawn Apostol	Omicron-Omega	California State University, Stanislaus
Outstanding Grand Master Award	Adam Scherman	Tau-Mu	Capital University
Outstanding Grand Master Award	Mauro C. Barone	Omicron-Pi	Carleton University
Outstanding Grand Master Award	Garrett R. Brewington	Sigma-Eta	Central Michigan University

FOUNDERS' AWARD FOR CHAPTER EXCELLENCE (F.A.C.E.)

Upsilon-Gamma, College of Staten Island

Upsilon-Gamma Chapter Brothers celebrate winning their FACE Award

Upsilon-Kappa, West Long Branch, New Jersey

Upsilon-Kappa Chapter Brothers celebrate winning their FACE Award

Xi, University of Arkansas

Xi Chapter Brothers celebrate winning their FACE Award

AWARD	RECIPIENT	CHAPTER	SCHOOL/INSTITUTION
Outstanding Grand Master Award	Joseph R. Allotta	Upsilon-Gamma	College of Staten Island
Outstanding Grand Master Award	Dan B. Topham	Gamma-Gamma	Colorado School of Mines
Outstanding Grand Master Award	KC S. Griffin	Xi-Iota	Columbus State University
Outstanding Grand Master Award	Tyler James Daigle	Theta-Rho	McNeese State University
Outstanding Grand Master Award	Charles W. Dienstbach	Beta-Chi	Missouri University of Science and Technology
Outstanding Grand Master Award	William R. Wraith	Xi-Beta	Northeastern University
Outstanding Grand Master Award	Wesley J. Carnahan	Theta-Mu	Northwestern State University of Louisiana
Outstanding Grand Master Award	Jacob (J.T.) Harry	Sigma-Zeta	Northwood University
Outstanding Grand Master Award	Brandon M. Toscan	Omicron-Eta	Nova Southeastern University
Outstanding Grand Master Award	Jacob A. Everly	Gamma-Psi	Oklahoma State University

Being One of Jackson's Men

Since its inception in 1989, nearly 5,000 Brothers have joined this exclusive giving opportunity.

Commitments to the Jackson's Men program start at just \$27.77 per month (36 months).

Brothers who make a ruby level commitment will also be listed permanently on the wall in our Jackson's Men Room at Kappa Sigma Headquarters (or upgrade your pledge).

To sign up go to KappaSigmaDonate.org, or to make an upgrade please contact KC Meyercord at giving@ef.kappasigma.org or (434) 979-5733.

OPAL

Jackson's Men Opal Level Members

The Opal Level of the Jackson's Men program represents the highest donor level of \$25,000.

The following Brothers have made the commitment to the Opal Level, or have completed their pledge.

Name	Chapter	School/Initiation Year
Thomas P. Bishop, Esq.	Alpha-Beta	Mercer University, '79
Barton H. Kogan	Alpha-Eta	The George Washington University, '66
Blanding U. Jones	Alpha-Nu	Wofford College, '89
Col. Ronald J. Webb, USAF, Ret.	Beta-Theta	Indiana University, '57
Gregory S. Hunt	Beta-Upsilon	North Carolina State University, '79
Robert A. Dobson, III	Chi-Omega	University of South Carolina, '57
Lanier S. Dasher, Jr.	Delta-Delta	University of Florida, '49
H. Howell Taylor, Jr.	Delta-Omega	Winston-Salem, North Carolina, '58
Hugh M. Robert, Esq.	Epsilon-Mu	The University of Tulsa, '95
Gregory A. Hopeman	Epsilon-Mu	The University of Tulsa, '72
Ernest L. Betz, Jr.	Epsilon-Psi	The University of Memphis Lambuth, '67
Honorable Robert J. Dole	Gamma-Omicron	University of Kansas, '42
Paul H. Gamble	Lambda-Epsilon	University of Central Florida, '90
Brett O. Socha	Lambda-Gamma	Jacksonville State University, '08
H. Phillip Bell IV	Lambda-Xi	Georgia College and State University, '80
Kyle R. Snyder	Pi-Omicron	University of Colorado Colorado Springs, '09
Nicholas S. Hagen	Rho	Arizona State University, '63
Martin C. Petersen	Rho	Arizona State University, '66
Gabriel F. Rodriguez	Rho-Omicron	University of California, Merced, '11
John J. Green, III	Rho-Upsilon	University of the Incarnate Word, '11
Austin L. Webb	Tau-Omicron	California State University San Marcos, '15
Connor Wright Patman, Jr.	Theta	Texas Christian University, '71
Steven R. Rabago	Theta-Beta	California State University, Long Beach, '74
Matthew M. Fisher	Theta-Delta	Willamette University, '90
Kevin K. Amburgy	Theta-Nu	Ashland University, '97
William J. Price, Jr.	Theta-Pi	East Carolina University, '72
Nicholas E. Snowberger	Theta-Zeta	Eastern New Mexico University, '01
Daric A. Garbutt	Theta-Zeta	Eastern New Mexico University, '95
Jody L. Bailey	Theta-Zeta	Eastern New Mexico University, '87
Kevin S. Kaplan	Theta-Zeta	Eastern New Mexico University, '82
Michael L. Benson	Xi-Beta	Northeastern University, '04
Michael R. Hall	Xi-Beta	Northeastern University, '03
Justin A. Hansen	Xi-Beta	Northeastern University, '01

Like Father, Like Son...

Alpha-Delta, Pennsylvania State University

Michael Hooks ('90) wanted to buy something special for his son, Alexei ('20) upon his initiation into the Order. As luck would have it, an antiques dealer had posted a Kappa Sigma pin with the Alpha-Delta letters just weeks prior to his initiation. After some intensive research, they were able to determine the legitimacy of the pin as well as its original owner, Brother Richard Neavling ('42). It was a great honor to bestow such a historical piece to a Kappa Sigma Alpha-Delta legacy.

Delta-Xi, University of Mississippi

Father, Todd W. Hammett (Delta-Xi, University of Mississippi, '88) and Son, Hayden Hammett (Delta-Xi, University of Mississippi, Pledge).

Gamma-Psi / Xi Celebrate Four Generations of the Joyce Family

(L-R) John H. Joyce (Gamma-Psi, Oklahoma State University, '65), Jeb H. Joyce (Xi, University of Arkansas, '90), Jeramy H. Joyce (Xi, University of Arkansas, '93) and Hunter Joyce (Xi, University of Arkansas, '20).

Epsilon-Phi, Texas Tech

Father, Jason Matzke ('92) and Son, Jared Matzke ('20)

VOLUNTEER SPOTLIGHT

Isaac Lipscomb (Omicron-Zeta, University of Hawaii at Manoa, '10)

Brotherhood is Inclusive Commissioner and District Grand Master, Southern California

Brother Lipscomb served on the Kappa Sigma – Brotherhood is Inclusive Taskforce as Co-Chair and will now lead the newly established Brotherhood is Inclusive Commission. In addition to his new role he will continue to serve the Southern California District as District Grand Master. Professionally, Brother Lipscomb is a National Account Manager for Blue Sky, The Color of Imaginations LLC and is Owner and Founder of IEL Properties. Isaac credits Kappa Sigma for being a great constant in his life offering him a way to maintain long-term friendships as well as giving him the tools to create new relationships.

Why He Volunteers: "I volunteer because I have always felt the need to give back to my community. It's not all fun and games, but I find joy in the ability to be a guide to the undergraduate brothers and volunteers in my District whenever I can. More importantly, I have the opportunity to work with our Undergraduate Brothers and help prepare them for what happens in life after college. I implore everyone to remember that our commitment to the Fraternity is not for a day, an hour, or a college term only... but for life."

Lex Graham (Epsilon-Phi, Texas Tech University, '07)

Alumnus Advisor, Epsilon-Phi Chapter

During his time at Texas Tech University, Brother Graham served two consecutive terms as the Chapter's Grand Master and now serves as its Alumnus Advisor. Professionally, Brother Graham is a Graduate Gemologist and Owner of Graham Brothers Jewelers in Amarillo, Texas. Being a Volunteer has served him well in his career stating that it has helped bring out the best in his abilities, values, morals, and has enriched his professional life.

Why He Volunteers: "I volunteer because of the incredible mentorship I received when our chapter recolonized. I feel that I owe it to our chapter to give back. Brothers such as Bill Dorsey, Bob Tate, Jody Bailey, and Tracy Edwards have been vital to the success and growth of our chapter and me personally. One of the best aspects of being a volunteer is to see the growth and change in the undergraduate brothers that I work with. Sure, I am biased, but Texas Tech has the potential to be one of the best chapters that Kappa Sigma has ever seen. I am honored to fill this post."

Daniel J. Tierney (Theta-Nu, Ashland University, '99)

Communications Commissioner and District Grand Master, Northern Ohio

Brother Tierney currently serves as the Communications Commissioner and was Co-Chair for the Brotherhood is Inclusive Task Force. He has previously served as an Assistant District Grand Master for the Ohio District, and as the Alumnus Advisor for the Alpha-Sigma Chapter at The Ohio State University. During his time as an undergraduate at Ashland University he held the positions of Grand Scribe and Grand Master for the Theta-Nu Chapter. Professionally, Brother Tierney is the Press Secretary for the Governor of Ohio, Mike DeWine. "Kappa Sigma is for life" holds true to Brother Tierney as he says that his brothers are the first to reach out with congratulations, thoughts, prayers, and help throughout the ups and downs of life.

Why He Volunteers: "I want Kappa Sigma to be there for my two sons when they are making choices about college. If we achieve Jackson's Dream, Kappa Sigma will be there for them no matter which campus they choose. I want to do my part by offering my talents and mentorship to help tell the good work Kappa Sigma does and help our undergraduates continue to achieve great things for our Order!"

BOOKS BY BROTHERS

The Final Roll Call (Poem)

The Final Roll Call Poem by Carroll R. Michaud (Epsilon-Gamma, Louisiana Tech University, '53) is mounted on the entry door of the Headquarters building of "THE OLD GUARD" who guard the "TOMB OF THE

UNKNOWN'S" at Arlington National Cemetery. Brother Michaud is show above being greeted by Col. James Laufenburg Commander of The Old Guard.

What I Learned at the 'Zoo

Glenn D. Beasley, Jr. (Epsilon-Nu, University of Southern Mississippi, '81) wrote *What I Learned at the 'Zoo* as his first novel and already has several more books in his mind and on his calendar. Retired as a lieutenant colonel after more than 30 years in the United States Army, Beasley served throughout Asia, Europe, Africa, and the Middle East.

A graduate of The University of Southern Mississippi, The Academy of Health Sciences, and the United States Army Command and General Staff College, he is a member of the United States Army Medical Service Corps Regiment, an honorary member of HRH Queen Elizabeth's Royal Medical Corps, and a member of the Veterans of Foreign Wars and the American Legion. The six-generation soldier and Iraqi war veteran is a trauma emergency registered nurse. Beasley is a husband and father of four; both his sons serve in the United States Armed Services.

To Be The Best (Series)

Heath Hertel (Delta-Mu, University of North Dakota, '91) has written a series of fiction novels featuring characters created from his experiences as a high school wrestler and his years as an active undergraduate member of Kappa Sigma (available at www.ToBeTheBestWrestling.com and wherever books are sold). The series won the Red City Review Award for "Best Characters."

To Be The Best

In his first book, *To Be The Best*, Ron and Nick Castle grew up watching the Riverside wrestling team and dreaming of the day when they would take the mat and win state titles for their team. Ron is a natural superstar and makes it all the way to the state finals as a sophomore. Younger brother Nick lacks natural talent and confidence but battles

through these obstacles with a phenomenal work ethic. Both experience triumphs and setbacks as they journey toward achieving wrestling glory.

Sean MacCallister is a member of a college fraternity and an Assistant Coach at Riverside. When he isn't guiding wrestlers to bring out their best or dealing with issues in his love-life, he is mentoring pledges and participating in the antics of life in a Fraternity.

To Be The Best: Rematch

In the second book, *To Be The Best: Rematch*, Ron and Nick Castle return to the Riverside High School wrestling room while, on the other side of the state, returning two-time state champion Travis Spigidos has his eye on getting some revenge. All three boys have their sights set on the state title.

Nick's star continues to ascend as he picks up where he left off his sophomore year while Ron, recuperating from injuries that sidelined him the prior season soon finds himself in unfamiliar territory, lost in the shadow of his younger brother. The boys work through injuries, issues with teammates, girl problems, escalating troubles with Spigidos and administrative politics as they battle toward their common goal.

Coach Sean MacCallister, recovering from his own injuries and their after-effects returns as Riverside's assistant coach. However, his battle with alcoholism not only drives a wedge

between him and his family but also wreaks havoc with his relationships at the fraternity. The wrestling team and support at the fraternity are the keys for getting his life back on track.

To Be The Best: Overtime

In the third book, *To Be The Best: Overtime*, five years after *Rematch*, a chance meeting of a weathered former Coach and a broken ex-wrestler gives the opportunity to revisit the story of Nick Castle's senior year.

Nick enters his senior season with everything in his life being nearly perfect. He has a loving girlfriend, a following of fans, a legendary coach

and like the end of his junior season, he is ranked first in the state. Yet, the cracks surface quickly as past agitators and teammates alike seem focused on keeping him from realizing his wrestling dreams while others seem intent on damaging his relationship.

Nearly 1,000 miles away, Sean MacCallister's new career is off to a promising start, but when his company is acquired, budget cutbacks and corporate politics become stifling. His long-distance relationship is impacted by both his relentless work schedule and a new co-worker whose intentions are unclear. His fraternity brothers keep him posted on Nick's progress as Sean is determined to make good on his promise to return to support Nick in his final push to win the state championship.

Arcturus

Michael L. Combs (Theta-Eta, University of Arkansas at Little Rock, '89) has written *Arcturus*. It is a love story of two people who refuse to give up and the tale of a family on a cross-country journey learning to heal. *Arcturus* awakens the soul, gripping readers' hearts and leaving them questioning what truly

matters. In our lives, there are defining moments - moments in which we love, laugh, grieve, and heal. The book is available now at Amazon, Barnes and Noble, Apple and Books a Million.

Joint Force Leadership

Brother Mark McGinnis (Tau, University of Texas '15) has teamed up with Jim "Boots" Demarest to author a book entitled *Joint Force Leadership: How SEALs And Fighter Pilots Lead To Success* which focuses on improving leadership skills. Navy SEALs lead on the ground. Fighter pilots lead in the air. Together, they can lead anyone, anywhere. Joint

Force Leadership brings together Jim "Boots" Demarest and Mark McGinnis's combined fifty years of military and business experience and presents battlefield and boardroom tested tools and skills that will resonate with business people, travelers and military enthusiasts alike.

In military parlance, a "Joint Force" is the combination of forces from different service branches into a single unit. Each comes with its own culture, identity, and vocabulary. And just like corporate teams, getting these diverse groups to work together creates a unique problem set, and leading these teams is varsity-level work.

Demarest and McGinnis are both products of some of the best leadership laboratories anywhere. United States military service academies. Demarest is a graduate of the US Air Force Academy and McGinnis is a graduate of the US Naval Academy. Their lifetime of military and civilian leadership experience has taught them lessons they feel compelled to share. Their intent is to provide simple, practical, time battle tested tools you can use right now to improve your leadership skills.

Brother McGinnis has been a keynote speaker for several of Kappa Sigma's Conclaves and Leadership Conferences.

ALUMNI UPDATES

Columbus, Georgia Alumni Chapter

Congratulations to Brother Johnathan Santa Maria (Xi-lota, Columbus State University, '15) on officially becoming a DeKalb County police officer.

Congratulations, also, to Brother Logan Watson (Xi-lota, Columbus State University, '12) and his beautiful bride Tiffany on their wedding, which was attended by many Alumni Brothers.

Delta-Omega (Wake Forest University)

Brothers from the mid-70s to the mid-80s at their Annual Golf Outing. The Brothers in attendance were: Kelly "Motown" Wrenn ('77); Ted "Slack" Barringer ('78); Bill Baker ('78); Ralph H. "Chip" Duckett ('78); Everette "Murph" Murphrey ('78); Jimmy "Red" Strickland ('78); Jeff "Shank" Schwall ('75); Jim "Feast" McKee Strickland ('77); Fred "Otis" Hodges ('77); Buddy "Nipsy" Wad ('76); Warwick "Loveless" Johnston ('77); Dan "DB" Boyce ('78); Henry "Squeaky" Fonvielle ('78); David "Boo" Leland ('78); Scott "Scooter" Robinson ('78)

Edward T. "Ted" Barringer ('78) got a group of Fraternity Brothers from the mid-seventies to about the mid-eighties together to reboot the classic "Kappa Sigma Par Tree Golf Gala and Rendezvous." It began shortly after the announcement of the 2018 Wake Forest University Football schedule. This was the third annual event.

This year, besides playing golf, the Alumni Brothers wanted to at least try to give a little bit back to the school and the Delta-Omega Chapter. With that in mind, several of the Brothers decided to try to fully fund the Dwayne Hall Scholarship Fund. The Alumni Brothers assembled in The Dash on Notre Dame weekend 2018 to make this happen.

Arriving at Old Town Golf Club the Brothers found that nothing had changed, they were all still using the same banter of yesteryear.

Ralph H. "Chip" Duckett ('78), a doctor of some renown, and Willis E. "Murph" Murphrey, IV, a lawyer, welcomed the Brothers to their Golf Club. The putting green is crowded with groups of threes and fours talking and occasionally taking a swipe at a ball. This isn't a golf story; this is a story of Brothers re-discovered, pride in their Wake Forest heritage, and re-kindled friendships!

Three adventurous Brothers had the fortitude to arise with the sun and take on the challenge of riding their bikes on the Salem Lake Trail. This trail is anything but a paved road – needless to say the going was slow and careful. The Brothers did manage to trudge through without any flat tires.

The Alumni Brothers are hoping to get together this year in Durham for a "road trip" to the Duke game.

Delta-Pi (Southern Methodist University)

On April 10, 2019, the Robert M. Shipley Award was bestowed on William K. "Kelly" Newton ('70) during the American Gem Society's annual Conclave in Seattle, WA. This award is conferred annually upon a member of the American Gem Society for outstanding service to the Society, for significant contributions to the Science of Gemology, and for exemplifying the high purposes, objectives and Ideals of the Society in the member's own community.

Kelly is the third generation owner and President of Newton's Jewelers, which was started by George H. Newton, Sr. in 1914. He also holds the title of American Gem Society Certified Gemologist Appraiser. The American Gem Society's Robert M. Shipley Award represents the Society's highest recognition and represents Newton's commitment to professional excellence, education, innovation, customer and community service. Kelly lives and works with his family in Fort Smith, AR.

ALUMNI UPDATE SUBMISSIONS

Instructions for submitting articles and photos for the "Alumni Updates" section of *The Caduceus* can be found online at www.kappasigma.org/caduceus/submissions. When sending photos, please send the highest quality image you have available. We cannot guarantee that every image will be used. Please limit updates to around 250 words or less.

Gamma-Psi (Oklahoma State University)

U.S. Marine Corps Maj. Ben W. Potter "GRIMACE", a MV-22 pilot with Marine Medium Tiltrotor Squadron 774 (VMM-774), and the Honorable Gregory J. Slavonic, Under Secretary of the Navy (Acting), posed recently for a photo at the Naval Station in Norfolk, VA (pictured above).

Potter is a native of Big Sandy, Texas. Slavonic visited the Fleet concentration area to engage with Sailors and Marines and view readiness and training efforts. UNSECNAV and Potter pledged the same Fraternity, Kappa Sigma Fraternity. Potter belongs to the Nu-Tau Chapter, Stephen F. Austin State University ('03). Slavonic is a member of the Gamma-Psi Chapter,

Oklahoma State University ('69). (U.S. Marine Corps Photo by LT Ashley E. Nekoui/Released)

Gamma-Tau (University of Colorado Boulder)

Brother Ralph E. Lawson

Ralph E. Lawson ('67), FHFMA, CPA, 7512 of Parkland, FL was elected Chair of The Leukemia & Lymphoma Society's (LLS) National Board of Directors. In this role, Lawson will work alongside LLS leadership to ensure that the organization continues to deliver its cancer curing mission and impact for patients, despite the challenges caused by the COVID-19 pandemic.

Lawson is a widely acclaimed expert in United States Healthcare. He has testified before Congress and has spoken at hundreds of healthcare meetings and conferences nationally and internationally. During his 30-year tenure as the executive vice president and chief financial officer of Baptist Health South Florida, Inc., he was instrumental in expanding Baptist from a single hospital in Miami to the largest provider of healthcare services in South Florida. Baptist now operates eleven hospitals and more than 100 outpatient facilities and

physician practices in four counties with more than 23,000 employees. Before joining Baptist Health in 1989, Lawson was a general partner with Deloitte and responsible for the Florida healthcare practice. He meets the Sarbanes Oxley and SEC definition of an Audit Committee Financial Expert.

Presently, Lawson serves as a member of the Board of Trustees of Boca Raton Regional Hospital and is the Chairman of the Board of Catholic Health Services, the largest provider of post-acute healthcare services in Florida. He is the past national chair of the Healthcare Financial Management Association, with more than 40,000 members and 68 chapters. Lawson is retained by Navigant, Inc., as a National Advisor. He earned a Bachelor's Degree in Science from the University of Colorado 1970, and a Master's Degree in Business Administration from The Wharton School of the University of Pennsylvania.

As a 25-year cancer survivor, he is deeply sensitive to the ravages of the various cancer diseases. He has long been an LLS champion and philanthropist, including serving three times as the chair or co-chair of the Light the Night Walk in Miami. This year Glenn P. Falk (Epsilon-Beta, University of Miami, '68) stepped up as Co-Chair for Miami Virtual Light the Night event on November 19. "Nothing gives me more pleasure than to work with my Kappa Sigma Epsilon-Beta Brother,

Glenn. Not only is he a very active and prominent attorney in the community, but as a proud Fraternity Brother, the commitment to our fundraising teamwork cannot be matched," shares Mr. Lawson. "We are grateful for the support of all our Kappa Sigma Brothers across the country."

The 2020 Miami Light The Night is proudly sponsored by Sylvester Comprehensive Cancer Center, Miami Cancer Institute at Baptist Health South Florida, Cole, Scott & Kissane, P.A., Grossman Roth Yaffa Cohen, Falk, Waas, Hernandez, Solomon, Mendlestein & Davis, P.A., The Gabriel & Claudia Navarro Foundation, Greenberg Traurig, Panter, Panter & Sampedro, Claim & Risk Management Services, LLC.

Gamma-Upsilon (Rutgers, The State University of New Jersey)

The Alumni Brothers of the Gamma-Upsilon Chapter at Rutgers University in New Brunswick, NJ launched their new alumni website, www.GUAAKS.org, in October, 2020. The work was done to raise the social media presence of the Gamma-Upsilon Alumni Chapter and enhance engagement with the Alumni Brothers.

In addition to a new website, the Alumni Brothers, led by Board of Trustees Secretary Sal Short ('10), also upgraded their presence on their other social media sites: Gmail, LinkedIn and Facebook. All these efforts were done to al-

low Alumni Brothers easy access to the Alumni Chapter's news and activities.

The website is the keystone of the Alumni Chapter's on-line social presence, and includes an invitation for Gamma-Upsilon alumni to register and request an access password; Gamma-Upsilon's history at Rutgers, which began in 1918; an archive of photos visually documenting the chapter's most significant events and activities going back to its founding; a page with biographies of Alumni Brothers who wish to share their current life status; a means for Brothers to contact other Brothers whom they may have lost touch with and wish to reconnect; access to the morgue of Board of Trustees' meeting minutes and alumni newsletters; links to The Kappa Sigma International Headquarters website; Links to our Facebook/LinkedIn Pages; Events Calendar for our Alumni Events and Board of Trustees Meetings; for easy payment of dues, donations and to pay for Gamma-Upsilon sponsored events there are links to PayPal and Venmo.

A "blast" email was sent out to all Gamma-Upsilon Alumni Brothers of record announcing the availability of the site. Alumni Brothers of Gamma-Upsilon are encouraged to register for access to the site. If they have pictures, or significant events, that they believe should be included on the site they are encouraged to send them to the website managers at the email addresses posted on the website.

Kappa-Lambda (Shippensburg University)

Brother Joseph R. Bucher

Brother Joseph R. Bucher ('12) was appointed to Mechanicsburg Borough Council (Mechanicsburg, PA). His term will run through 2021. Brother Bucher has spent the last three years volunteering in various capacities in the community prior to his appointment. He is humbled and excited to work with the community and the rest of the Borough Council to keep Mechanicsburg "A Good Place to Live!"

Lambda-Gamma (Jacksonville State University)

Brothers of Lambda-Gamma (Jacksonville State University) celebrated their 6th annual Glamp-Out at Gunterville State

Park. This year's event was attended by 50 Brothers initiated from 1971-1979.

Lambda-Lambda Alumni Association (Elon College)

The Alumni Association would like to encourage brothers to visit their website, kappasigmaelon.org, where they can catch up on all current news, view social media information, check out the photo gallery, and more. Annual dues to the Lambda-Lambda Alumni Association can be paid on this site, under the LLAA & Our Legacy navigation tab. Also, please consider making a donation to the Elon Kappa Sigma Alumni Scholarship by visiting www.elon.edu/u/advancement/ways-to-give/ and designating your gift to the scholarship.

Announcements for the Admiral William E. Gortney Award and Alumnus of The Year Award were not made at Elon's homecoming this year due to COVID-19 and the weekend being presented virtually. Unfortunately, circumstances required the Association to modify their process for recognizing these awards this year. While the recipients will be selected this calendar year, the current plan is to announce the 2020 recipients at a tentative spring campus event, or in conjunction with the announcement of the 2021 recipients at Homecoming next year. The Association trust you understand this delay in the announcement, as they believe these awards are most worthy of in-person recognition.

The Association is hopeful to return the undergraduate chapter to Elon in 2023. To get engaged with alumni organization or to share alumni news and updates send an email to kappasigmaelon@gmail.com. The Association wishes all brothers good health and safety during these incredibly challenging times.

Rho (Arizona State University)

Brothers gathered in honor and remembrance of Brother Jeff Banker.

The 9th Annual Greater Phoenix Alumni Golf Classic and the Celebration of Life for the beloved Rho Brother Jeff Banker at the Arizona Grand Resort. There were many decades of Kappa Sigma Brothers in attendance. Brothers came in from all over the United States to pay their respects and come together! Brotherhood is for Life!

Theta-Rho (McNeese State University)

Brother Harold Rowe

Harold Rowe (Theta-Rho, McNeese State University, '68) was born in Alexandria, Louisiana, and spent his formative years in Lake Charles, Louisiana, where he graduated from LaGrange High School and McNeese State University, earning a B.S. in Mathematics. On November 8, 2020 the Harold Rowe Middle School was dedicated to Harold for his excel-

lent work and dedication to his field of expertise.

In June of 1970, he was fortunate to marry his wife of now 50 years, Sandy (Fontenot) Rowe. In 1971, following college graduation, Harold and Sandy relocated to Houston. Harold began his long career in the field of information technology and earned an MBA in Systems and Operations Management from the University of Houston. Harold's work experience in the private sector, before joining Cypress-Fairbanks ISD, included analysis, software development and management roles in the aerospace, oil and gas, and mortgage banking industries.

In 1991, Harold was fortunate to begin the second half of his career at CFISD, being hired as the Director of Information Services. At that time CFISD was already considered a "large" school district, with a student enrollment of more than 40,000 students and growing rapidly. In that 1991-1992 school year alone, CFISD opened five new campuses. In 1994, Harold became the senior Director of the newly formed Technology Services Organization, which merged the administrative and instructional technology departments. Over the next several years, Harold and his team were responsible for implementing many bond programs which included software systems, districtwide fiber optics and networking, the district website, email, the Cy-Fair TV channel and, most importantly, deployment of substantial instructional technology for students, including the first one-to-one "go home" laptop program for high school U. S. History students.

The Harold Rowe Middle School was dedicated to Harold Rowe for his excellent work and dedication to his field of expertise.

In 2002, Harold became the Associate Superintendent of Technology and School Services, which expanded his service opportunities by including responsibility for the transportation and operations departments. These departments provided essential services, ensuring safe and efficient transportation services to students and the cleanliness and safety of schools. Harold helped the transportation team focus on timely delivery of services and, with the partnership of the district's Volunteers in Public Schools (VIPS) program, implement the Bus Buddies program. This initiative assisted young bus riders reach their proper drop-off points on the first few days of the school year. The operations department developed innovative cleaning techniques, helping to increase efficiency.

Harold is a founding member and served as President of the Texas K-12 CTO Council, which became the first state chapter of the Consortium for School Networking (CoSN). Harold received the 2012 Withrow Award from CoSN in recognition of transformative leadership and advocacy in technology.

Harold retired in 2013 and has continued to help others by serving as a volunteer with the Meals on Wheels program and as a local Coordinator and Trainer for the AARP Tax-Aide program which offers free tax preparation service to clients in need. Harold and Sandy, who now reside in Fulshear, Texas, have two sons, Brian (Shannon) and Kevin (Casey), and four grandchildren,—Phillip, Braeden, Brynn, and Bennett. Kevin ('95) is also a Kappa Sigma with the Theta-Rho Chapter at McNeese State University.

"In any service organization, I believe there are two essential metrics, customer satisfaction and employee satisfaction, and that customer satisfaction is a direct result of employee satisfaction. This, then, goes to the notions of employee teams, vision and mission adoption, the sense of shared effort and contribution in achieving the goal. What better setting to strive for excellence than in a school organization where children, the very future of the world, and their teachers are being served?" – Harold Rowe

Theta-Beta (California State University, Long Beach)

Kurt A. Broadhag ('89) just had a sports documentary movie released on Amazon. He is in the movie and he also produced it.

Seven Brothers from the Theta-Beta Chapter, all initiated between 1974 and 1976, travelled together in Italy for two weeks in October, 2019.

Several Theta-Beta Brothers traveled to Bologna, toured the University of Bologna and walked the stairs to the top of Torre degli Asinelli. Pictured at left (L-R) are Michael Wintheiser, Mike Murphy, Brian Carabet, Bill Booth and Pat Murphy. Brothers Ed Martinet and Rick Gilmore, not pictured, were also on the trip.

Theta-Upsilon (Miami University)

Brother Mark Heppner speaks about his personal farm.

Mark Heppner ('87), Ford House President & CEO, was featured in a video showing his personal farm. He discussed raising chickens as well as gave a tour of his henhouse and home office that includes an egg incubator. Mark commented, "Not sure if Miami/Kappa Sig education prepared me for this!" For more information regarding the Ford House, please visit www.fordhouse.org

The Theta-Upsilon Alumni Association is looking for alumni to assist in planning for the 55th Anniversary celebration scheduled for April, 2022. If interested, please contact us at kstuaa@gmail.com.

Theta-Zeta (Eastern New Mexico University)

Chase Sturdevant ('10) is shown during an epic 500-mile bike ride across the state of New Mexico in the Bike for the Light 2020 event!

As Kappa Sigmas, some of the most important things in life are for us to find events and trials that challenge us physically, mentally, and spiritually. It is even more important to do it in the name of a good cause. This was what inspired Theta-Zeta Chapter alumnus Chase Sturdevant ('10) to work with pastors and volunteers at his church to gather in Aztec, NM on September 7, 2020 to start an epic 500-mile bike ride across the state in the Bike for the Light 2020 event! Chase and the rest of the riders did this to raise money for World Serve International.

World Serve International goes into Eastern African countries and establishes clean water wells. Every year, thousands of men, women, and children die from preventable water-borne illnesses and Chase and the other riders saw this as a chance to make a difference. Not only will people be healthier, but now women and children will no longer have to walk 20 miles to get water that could potentially kill

them, and they can spend the time gained back on getting an education.

Chase and the riders rode 500 miles, 100 miles a day through extreme wind, cold, and rain. They started a little north of Aztec, NM, and ended in White City, just outside of Carlsbad. Chase said he was "so overwhelmed by the whole experience" and that he was "thankful to be surrounded by friends and family that loved me and encouraged me on this adventure, and the countless hours of training before." Through this event, Chase was able to raise over \$8,000 while having only set a \$5,000 goal! Chase and the riders are still accepting donations at www.bike-for-the-light-2020.raisely.com/chasesturdevant.

Xi-Beta (Northeastern University)

Brother Thomas J. Kelly and his lovely bride.

Congratulations to Brother Thomas J. Kelly ('03) who married Kelly Wallace on November 21, 2020. Brother Kelly has served the Fraternity in numerous capacities including as Operations Commissioner, Alumni Advancement Commissioner and as a District Grand Master. As an undergraduate he served on the Undergraduate Advisory Committee (UAC) and was also a Kappa Sigma Fellow. Brother Kelly has numerous awards as a volunteer of Kappa Sigma including as a past Commissioner of the Year. He wears Jackson's Man pin #1984.

Kristopher T. Boccia ('95) recently launched East Coast Bias, an apparel company catered to the loyal sports fans of the East Coast. The website is www.justeastcoast.com or follow on Twitter @Justeastcoast.

Reaching the Field of Dreams

by Bill Weaver (Gamma-Omicron, University of Kansas, '76)

It's an early Fall Saturday afternoon in the Midwest, the sun sitting a little lower in the sky than even just a week or two ago, with just a slight coolness in the air. People are starting to gather on the sidelines, setting up chairs and coolers, and the opponent's goalie is at the other end of the field of freshly cut grass going thru some personal drills to shake off the pre-game jitters. You notice he has a look on his face like he's going through his moves when a play is coming his way fast, and the kick to goal is on its way to him. The field is ready, fresh white markings, the nets in the goals are new, and the markings are as crisp as the day. A perfect afternoon to get a soccer game going against a tough, but beatable opponent if your guys are on their game.

Brother Peter J. Weaver (Gamma-Omicron, University of Kansas, '85) has gone through this Saturday ritual many times in his soccer playing life. His version of the Field of Dreams. Time has a way of changing something so perfect and turning it into something even better. For over 200 refugee kids from countries all over the world, Pete and Global FC (Football Community) in Kansas City, Missouri have been able to recreate this scene for these kids that have fled many war torn countries. Take a look at Pete's field now, and what it has led him to.

First, a little important background. In Pete's life growing up in Kailua, Oahu, Hawaii, soccer became a big part of his life when he wasn't in the water board surfing, body surfing or paddling on the outrigger canoe team. Starting at age 7, he began playing soccer on a local team learning the basics, and by age 12 he had gained enough experience to play competitively. As his skills increased, it allowed Pete to play on his Kailua high school soccer team, and to be part of the team his senior year that won the Hawaii state soccer championship.

It's all in who you know

College took Pete to the University of Kansas in Lawrence, Kansas (home state of the Weaver's), where he played through college on some local club teams. In the years after graduating from K.U., Pete eventually wound up in Overland Park, Kansas,

where he has worked as an outside sales representative for a large pharmaceutical company to support his growing family there. In the 15 years plus after coming to Overland Park, Pete volunteered with the Overland Park youth soccer association, and the Kansas State youth soccer association as a coach (7 years), and as a board member (8 years).

One late fall afternoon in 2016 Pete received a phone call from a good friend and neighbor who was excitedly telling him her family was having a barbeque and he had to meet this couple that was in attendance. A short while later, Mariya and John Goodbrake came over to Pete's house, met Pete and his wife Jamie, and had an amazing conversation about Mariya's resettling in Overland Park from Afghanistan. The role of soccer in both of their lives was so profound, it brought about the growth of the organization that Mariya had started, Global FC.

How it started

Global FC was started by Mariya as a community development project as a result of refugee's coming to America and trying to resettle here. Global FC became a focus point for those refugees in Kansas City to help them resettle in the local community. The idea of Global FC was the result of Mariya Dostzadah Goodbrake's personal journey to flee Afghanistan and its many years of war. From Afghanistan to Iran, then to India, and finally resettling in Canada, Mariya and her family

found themselves and their culture, beliefs, and heritage as Afghan Muslims conflicting with life in the West. Her ability to live her life and hang on to her identity faced many challenges along the way.

In 2013, Mariya relocated to Kansas City and discovered a refugee resettlement area in the northeast part of the community. In 2014, Mariya, thru an organization was able to visit the country of Jordan to connect with Syrian refugees displaced in the border town of Al Mafraq outside of Zaatari refugee camp. It was through this trip that Mariya saw the damage of displacement, especially on youth.

With this experience in mind, she returned to Kansas City determined to find out what trials the refugee children in Kansas City were experiencing. She found that the children's needs were much the same as hers, trying to resettle in a new culture. Some key needs of these children were access to extra-curricular activities, academic support, family support, and just having a general sense of belonging. Mariya discovered the same needs she had on her resettling journey. It was these needs that led to the new-found purpose of Global FC.

There is much that has been written about programs in America for serving those who seek resettlement. The need here was more grass roots, closer to a community level. In order to build this community support for the refugees, there needed to be a vehicle for those youth that was understood throughout the world. Soccer became that tool for transformative impact.

Pete's connections to the Overland Park youth soccer and Kansas State youth soccer organizations proved to be of great help to Global FC. Their help in organizing, including the teams that had developed at Global FC with primarily kids from countries around the world (30 different countries at last count) was a great help to bring these kids in to the community. His coaching experience and just time playing the game has given Pete a whole new experience in his journey in soccer. With his new role as a coach, and member of the Board of Directors of Global FC, he has seen the program grow from a handful of refugee children to over 200 hundred kids, coming from countries in Africa, Central America, Mexico, Europe, South Asia, the Middle East, and the United States. And, as time has progressed, some companies in the Kansas City area are finding out about the outstanding results that Global FC is producing and becoming partners financially and in many other ways.

The other parts of Global FC include helping these refugee children in schoolwork through the mixture of tutors and mentor activities, resulting in some of the children going on to college, trade schools, and other types of advanced education. Some of those refugees who have been in the program for a while have now become mentors for the newer members, and act as guides in helping the newer kids in settling in Western society. Through signing a "contract" with Global FC, the kids

Brother Weaver is shown above with several of the teams, comprised of refugee kids from all over the world, that he has helped coach over the years.

pledge they will work with these programs, and the incentive being their participation in the soccer program. The professional teachers and those with coaching experience that have joined Global FC as their life's new work explain the experience working with these kids is like no other educational experience they have had. The connections that are made with the refugee families and gaining their support of the program has been a key part of the organization's success.

Maybe in your search for something worthwhile to do in these interesting times we are living in, you may have something from your past that is waiting for you to come calling again. And, if you are interested in volunteering, you can learn more about Global FC by going to their website at globalfootball.org. They need drivers, mentors, tutors, and coaches. Take a look and see if there is something you can do to join Pete in this new Field of Dreams. ★

Kappa Sigma Fraternity Awards Four John G. Tower Distinguished Alumni Awards for 2020

Established in 1995, the Tower Award honors “Kappa Sigma Brothers who have shown a commitment to their business, family, church, philanthropy and community activities.” It is named for John G. Tower, former U.S. Senator from Texas who served on Kappa Sigma’s international board of directors for six years and was Worthy Grand Master of the Kappa Sigma Fraternity from 1971-73. This prestigious award is considered one of the highest honors alumni can receive within the general fraternity.

Kappa Sigma Fraternity has named four alumni as recipients of the U.S. Senator John G. Tower Distinguished Alumni Award for 2020. Honorees for 2020 include:

Sgt. Robert M. Ferguson

(Lambda-Phi, Sam Houston State Univ., '12)

Sgt. Ferguson is a 2012 initiate of the Lambda-Phi Chapter at Sam Houston State University. He is a veteran of the United States Army and United States Air Force. Sgt. Ferguson has been a member of the United States National Amputee Soccer Team since 2016. He is also involved with Dynamo Charities in Houston to help grow awareness of amputee soccer in Texas.

Dr. Gary L. Miller

(Nu, College of William and Mary, '73)

Dr. Miller is a 1973 initiate of the Nu Chapter at the College of William and Mary. He was unanimously elected the 18th president of the University of Akron in August 2019 and took office on October 1, 2019. Dr. Miller

previously served as Chancellor of the University of Wisconsin–Green Bay, as well as Chancellor at the University of North Carolina Wilmington.

Connor W. “Pat” Patman, Jr.

(Theta, Texas Christian University, '71)

Brother Patman is a 1971 initiate of the Theta Chapter at Texas Christian University. He is a realtor and philanthropist

from Santa Fe, NM. Brother Patman has been instrumental in the development of the alumni for the Theta Chapter at TCU and recently became one of Jackson’s Men at the Opal Level for the Kappa Sigma Endowment Fund.

Guiseppe Piccinini

(Theta-Gamma, Midwestern State University, '95)

Brother Piccinini is a past Grand Master and Grand Scribe of the Thetat-Gamma Chapter and is a District Grand Master and Assistant Alumnus Advisor. Brother Piccinini is heavily involved in the Wichita Falls community and has been instrumental in helping to secure arrangements for the new lodge for the Theta-Gamma Chapter at Midwestern State University. He holds a Ritual Proficiency at the Grand Master of Ceremonies level.

Robert D. “Bobby” Springer

(Theta-Zeta, Eastern New Mexico Univ., '93)

Brother Springer is a 1993 initiate of the Theta-Zeta Chapter at Eastern New Mexico University. He is President and General Manager of KHOU and KTBU in Houston, TX. Brother Springer was the volunteer Executive Producer of Kappa Sigma’s *A Brotherhood*

Like No Other online rush special event video, which premiered in September, 2020. ★

Brother David Beasley, front row, center, is the Executive Director of the World Health Programme

Nobel Peace Prize Awarded to Organization Led by Kappa Sigma Brother David Beasley

On October 9, 2020, the 2020 Nobel Peace Prize was awarded to the World Health Programme (WFP), a humanitarian organization headed by Brother David M. Beasley (Kappa-Upsilon, Clemson University, '77).

The Nobel Foundation, which awards the various Nobel Prizes, awarded the Peace Prize to the WFP "for its efforts to combat hunger, for its contribution to bettering conditions for peace in conflict-affected areas and for acting as a driving force in efforts to prevent the use of hunger as a weapon of war and conflict."

The honor for the WFP is yet another distinguished accomplishment in Brother Beasley's remarkable career.

Prior to becoming Executive Director of the WFP, Brother Beasley served as South Carolina State Representative from 1979 to 1995 before his election as the 113th Governor of South Carolina, in which he served from 1995 to 1999. Brother Beasley received a John F. Kennedy Profile in Courage Award in 2003, and he has also served as a fellow at the Harvard University Kennedy School of Government in Cambridge, Massachusetts.

Congratulations, Brother Beasley, on leading the World Food Programme to one of the world's great international honors! ★

CHAPTER NEWS

Alpha (Emory University)

★ This past month, the Alpha Chapter has been actively involved in both service and philanthropy, even as the Covid-19 pandemic has hurt its ability to coalesce as a Chapter. The Chapter held a virtual fundraising event in which all Brothers raised money for Emory Miracle, an organization that helps sick and injured kids in the community. So far, the Chapter has raised \$1,500 and counting, building up to the much-anticipated culminating event, the Emory Miracle Virtual Dance Marathon. The Chapter also participated in a service event called Operation Gratitude in which Brothers wrote letters to deployed troops, veterans, wounded heroes, and caregivers. The Brothers greatly appreciate the sacrifices our troops have made, and they hope these letters serve as a sign of their thanks and admiration.

Alpha-Gamma (University of Illinois at Urbana Champaign)

The Alpha-Gamma Chapter organized their First Annual Car Smash, raising \$809 for the Alzheimer's Association.

★ The Alpha-Gamma Chapter kicked off the fall semester with many improvements. Alumni donated circulated heating and cooling, eight new bedrooms, and recent renovations to bathrooms and the dining hall. This has paved a path for a successful recruitment season of 19 outstanding young men despite University restrictions due to the pandemic. To raise money safely, the Chapter organized their first Annual Car Smash, raising \$809 for the Alzheimer's Association- the most the Chapter has raised at one event in recent Chapter memory.

Beta-Nu (University of Kentucky)

★ The Beta-Nu Chapter of Kappa Sigma, located at the University of Kentucky, is a proud community of young men. They set forth to do right by the Brotherhood each and every day. Involvement in University philanthropy helps them continue that mission to do right by this Fraternity nationwide.

DanceBlue is a University of Kentucky student-run organization that fundraises year-round and culminates in a 24-hour no sitting, no sleeping dance marathon in early spring. All of the money raised through DanceBlue is donated to the Golden Matrix Fund, established to support the kids of the DanceBlue Kentucky Children's Hospital Hematology/Oncology Clinic both today and well into the future through an endowment. Childhood cancer not only affects the child physically, but it also creates many emotional and financial difficulties for the entire family. The goal of the Golden Matrix Fund is to provide care and support for the kids through giving them and their parent's comfort.

The Beta-Nu Chapter participates in DanceBlue in large numbers every year. Last year happened to be their biggest fundraising in Chapter history. They raised \$8,346 for this important cause. The Brothers were proud of the record and knew it would go a long way. This year, they set out to be even better. Alumni have already donated around \$500 with undergraduates donating around the same amount. An undergraduate Golf Scramble was set up and played raising another \$400. The work does not stop there, as they had a fundraiser at Local Taco on November 9th where the proceeds were donated again to DanceBlue. The Beta-Nu Chapter is fully dedicated to doing all we can for the sake of these children and their families in need of financial support.

Delta-Alpha (Carnegie Mellon College)

The Kappa Sigma Delta-Alpha Chapter has had a remarkable past year, their spring rush class added an amazing group of 21 Brothers! This was their largest class since 1981, which had 23, and the spring class just passed the class of 1989, which had 20. Looking forward, the Brothers are ecstatic for the upcoming year as it is the 100th Anniversary of the Chapter and it is still going strong. The Chapter has adapted to the

Champion Quest
Success Story

A Greater Cause
Success Story

Brothers In Action
Success Story

new times and realities of the world with Zoom social events. As they adjust to the new circumstances, they are working towards new community service styles, so they hosted their own “Get Out the vote! Among Us” community Zoom event. Despite the unprecedented changes to their lives, the Kappa Sigma Brothers are still dedicated to making a positive impact in their community. All in all, they are excited for the upcoming year and all the opportunities ahead of them, A.E.K.D.B!

Delta-Mu (University of North Dakota)

Delta-Mu Chapter had a successful Fall Rush, in spite of the challenges posed by COVID-19.

Delta-Mu’s school year got off to a rough start as the annual Johnny Holmes concert had to be cancelled due to the COVID pandemic. A few days after everyone moved in, the Brothers had to go on a two-week quarantine as one of the Brothers tested positive for COVID-19, which left five Brothers alone in the Chapter House to quarantine together. This did not slow the Chapter down though as rush was right around the corner.

Rush at the University of North Dakota was run as a regular, in-person rush. The Brothers had to follow all COVID guidelines by social distancing and wearing masks at the events. Delta-Mu finished with 24 pledges and the Brothers could not be happier with them.

The Brothers also have been maintaining the Chapter House by upgrading the hallway’s lights, painting the rooms, and adding new flood lights for the back alley. They are currently waiting on estimates to repair the balcony that has been worn down by 20 years of the North Dakota weather.

Things in Grand Forks are going very well for Delta-Mu, and they are excited to continue the school year, even though it is more challenging than usual. The Brothers continue to have a positive attitude and do their best in these strange times.

Delta-Sigma (University of Utah)

The Chi Omega’s Wish Week was a great opportunity for Brothers of Delta-Sigma to interact with each other and the community in a safe way.

The Brothers of the Delta-Sigma Chapter have had to make a lot of adjustments due to COVID-19, but they have not let that hold them back from keeping the Brotherhood growing and strong. Brothers have still been able to volunteer to give back to both the Greek community and the wider Salt Lake community. Events such as Chi Omega’s Wish Week have been great opportunities for Brothers to interact with each other and the community in a safe way. Although the circumstances are not ideal, the Delta-Sigma Chapter is still thriving!

Epsilon-Phi (Texas Tech University)

The installation of the new Epsilon-Phi Chapter at Texas Tech University.

The Epsilon-Phi Chapter was installed on August 22, 2020. The Brothers have worked extremely hard in order to achieve their goal of being chartered within six months. These Brothers overcame many obstacles and even continued to work toward their goal in a global pandemic! On August 22nd many Chapters across the State of Texas heard about the Chapter’s accomplishment and came to be present at their installation. This allowed the Brothers to finally see what being a part of something greater than themselves truly meant, and helped motivate the Brothers of the Epsilon-Phi Chapter to continue to be great and achieve great things.

Gamma-Psi (Oklahoma State University)

The Brothers of the Gamma-Psi Chapter at Oklahoma State University paired with the local sorority Tri Delta to provide community service to the elderly and disabled.

The Chapter did its Annual Into The Streets program on November 7, 2020. The Brothers paired with the local sorority Tri Delta to provide community service to the elderly and disabled. The Brothers had lots of fun, being able to help the community especially after the big ice storm. The recipients were happy with the work that the two chapters provided.

Kappa-Lambda (Shippensburg University)

After returning to campus in August, the Brothers of Kappa-Lambda had been thinking of a way to shine a great light on the dark situation that the world had been put into as a result of COVID – 19. With the mandate to wear a face covering wherever you go, it was an easy decision to have face masks made for Shippensburg's campus community. With the Chapter raising \$1,366 via Go Fund Me, the Brothers were able to provide Kappa Sigma branded face masks and personal hand sanitizer bottles to the students, faculty, and employees of Shippensburg University. The masks and sanitizer were distributed to individuals from the Chapter's Covid-19 compliant booth on campus. The Chapter thanks their friends and especially their alumni for their donations to help keep the campus safe.

Since the beginning of the semester in August, there has been a new plan implemented through the Office of Sorority and Fraternity Life in an attempt to get more community involvement from Greek Life that promotes health, safety, and a community built on mutual respect. With the Chapter's involvement on campus this year, Kappa-Lambda was awarded 131 of the 160 points, which ranked Kappa Sigma as the #1 organization within the Greek community. As a result, the Kappa-Lambda Chapter received recognition from the Greek Offices and an award of \$200 for chapter business! With more points to be earned, the Brothers are going to keep the great work up to remain #1!

Nu-Psi (University of Cincinnati)

Nu-Psi Alumni Relations Chair Patrick Keating ('20) put together a fundraising raffle for a YETI cooler, a gift card for a local restaurant, and a bundle of Kappa Sigma merchandise. First prize, the cooler and gift card, were valued at \$350, and was won by Alumnus Patrick Olekas ('95). The second-prize merchandise bundle was won by Alumnus Oliver Suggs ('10). In total, the raffle raised over \$150.

Omicron-Phi (Washington College)

The Brothers of Omicron-Phi at Washington College were able to get a live stream set up and streamed a Pancake Making Tournament and a Pancake Eating Competition fundraiser.

★ October 10, 2020 marked another successful pancake breakfast for the Chapter. Unfortunately due to the COVID-19 epidemic, the Brothers were unable to have the breakfast in person. This however, did not deter the Brothers from having a successful fundraiser. The Brothers were able to get a live stream set up, and streamed a Pancake Making Tournament and a Pancake Eating Competition, which the GM Colin Levi ('19) won. In total, the 2nd ever Virtual Pancake raised over \$1700 for the Military Heroes Campaign.

In an effort to become better men, the Brotherhood Development Committee hosted an alumni panel on October 12, 2020. The idea for this panel was to bring Alumni of the Chapter in to talk about their college, work, and life experiences,

FRATERNITY

and share both their success stories and where they failed. This panel included the Chapter's first Alumnus, the founding GP, and two PGMs and a PGMCs of the Chapter. The undergrad Brothers had a few questions for these gentlemen and the panel was a success.

Pi-Omega (Sacred Heart University)

The Brothers of the Pi-Omega Chapter at Sacred Heart University this past September hanging out with the members of their local Bridgeport Fire Department after they provided them with a free lunch for the day.

The Brothers of the Pi-Omega Chapter at Sacred Heart University provided lunch for the local Bridgeport Fire Department. The Chapter does this every year to give thanks to the

local heroes as well as to remember all of the lives that were lost on September 11, 2020.

Pi-Rho (University of Akron)

Several Brothers of the Pi-Rho Chapter went to the National Pro-Football Hall of Fame this year and saw former Brothers Busts on the walls.

2020 has been a year of firsts for the men of the Pi-Rho Chapter despite COVID-19. They have all been learning how to create Brotherhood while keeping each other safe through the usage of social distancing and online. They have gone to the National Pro-Football Hall of Fame this year and saw former Brothers

Busts on the walls. It was a great experience for all of the Brothers who went to the National Pro-Football Hall of Fame.

The Chapter was able to give the current president of The University of Akron and fellow Brother, Gary L. Miller (Nu, William & Mary, '73), the prestigious John G. Tower Award. This has been a great year of firsts and momentous events for the Pi-Rho Chapter, and the Brothers are all thankful to be a part of it.

Brother Matthew T. Toplack.

Matthew T. Toplack ('18) was recently appointed by the Supreme Executive Committee to serve as the UAC Delegate for Area 3. Brother Toplack has previously served the Chapter as a chairman of various positions as well Grand Treasurer. The Chapter knows he will serve the Chapter, District, and Area well as the first UAC Delegate from Pi-Rho. Congrats Brother Toplack!

Brooks Brothers

www.brooksbrothers.com

Rho-Xi (Eastern Kentucky University)

Brothers from Rho-Xi Chapter at a charity event.

Sigma-Xi (University of West Florida)

The Brothers of the Sigma-Xi Chapter at the University of West Florida hosted the Chapter's 3rd Annual Golfing4AHERO Tournament on November 14, 2020.

★ The Brothers of the Sigma-Xi Chapter hosted its 3rd Annual Golfing4AHERO Tournament on November 14th, 2020. The Brothers recruited enough participants to max out the golf course capacity of 120 golfers. Roughly eighty percent of the golfers were veterans from every branch of our great military. The Brothers of Sigma-Xi raised \$18,000 to go directly to the Veteran Suicide Prevention Network, AHERO. AHERO brings wounded veterans from across the country to engage in social outdoor activities such as fishing, hunting, golfing, and much more. The Brothers pride themselves on the ability to give back in the smallest way to those who have paid the ultimate sacrifice. God bless AHERO and God bless Kappa Sigma.

Theta-Nu (Ashland University)

★ Despite many uncertainties going into the school year, the Theta-Nu Chapter has still been working hard to meet its goals. The Brothers kicked off the year with a successful rush period and have added 6 new Brothers to the Chapter. Along with that, two Alumni Brothers were added to the Chapter's

Hall of Honor; Bill Somers '66 and Dan Tierney '99. Thanks to these Brothers for all that they have done for the Chapter and for spreading the good name of Kappa Sigma with honor! Throughout November the Brothers will be sharing a GoFundMe link to raise money for Military Heroes Month. The Brothers will also be doing a 5k event with another Fraternity on campus, and will be doing a Lip Sync competition later this month. Both of these events will raise money for St. Jude Children's Hospital. The Chapter will hold elections for new Officers and Chair positions.

Theta-Theta (Western Kentucky University)

🌿 As other fraternities at Western Kentucky University have become inactive during this time with COVID-19, the Brothers of Theta-Theta have been working to secure the #1 spot on campus. Theta-Theta started the semester strong by pulling the largest pledge class on campus. The Chapter signed 25 new members and initiated all 25 of those members. In October, 2020, the Chapter also hosted their Inaugural Homers for Heroes Softball Tournament which raised over \$6,000 for the Military Heroes Campaign.

Theta-Zeta (Eastern New Mexico University)

Executive Committee Officers for the Theta-Zeta Chapter.

In spite of ENMU closing the campus, Theta-Zeta has been able to have a successful fall semester. The chapter was able to land a 30-man pledge class and initiate 22 new brothers. The brothers have been focusing on Ritual Proficiency and would like to congratulate Brothers Joshua Dietz and Brother Alex Aguirre who recently became the chapter's 156th and 157th Master of the Ritual.

Keep up with all things Kappa Sigma via our Social Networking outlets.

See page 3 of this issue for more information and links.

Theta-Zeta held its Executive Committee Elections and the following brothers have been elected to serve: GM- Jesus Castillo; GP- Jason Bailey; GMC – Alex Aguirre; GS – Garrett Jordan; GT – Iziah Christianson

The chapter will be holding its Annual Cow Drop Fundraiser this spring and would like to encourage everyone to buy their tickets at www.thetazeta.org/events/cowdrop/

Xi-Beta (Northeastern University)

Xi-Beta had a great time while raising money for a great cause during their Military Heroes Charity Golf Outing.

Congratulations to Brothers TJ Trosset and Harris King for shooting 5 under and being crowned champions of the Inaugural Military Heroes Campaign Golf Fundraiser.

🌿 The Xi-Beta Chapter of Kappa Sigma held their Annual Military Heroes 5k with all proceeds from the event being donated to the Military Heroes Campaign. In addition Xi-Beta held a Military Heroes Charity Golf Outing which raised money for a great cause while having a good time. During the fall semester the Brothers were able to raise over \$4,000 for the Military Heroes Campaign.

Xi-Epsilon (Thiel College)

Xi-Epsilon Brothers planted American flags around campus to pay tribute to the first responders of September 11, 2001.

The Brothers of Xi-Epsilon Chapter held its 25th Annual See-Saw-A-Thon to support the Military Heroes Campaign.

🌿🌟 The Xi-Epsilon Chapter has been up to a lot of great things on the campus of Thiel College. The Brotherhood currently stands at 25 Brothers, which is the largest for the campus. The fraternal friendship and bond in Xi-Epsilon is something that the Chapter can boast about and leaned on this past year. The Brothers are an extremely diverse group with many different majors, interests, and backgrounds, but their bond has and will continue to stand the test of time because of their appreciation of the Order. The Chapter has been a model image of fraternal brotherhood on campus, and they have been leading in the other three pillars of scholarship, leadership, and service.

The Brothers of Xi-Epsilon have consistently carried a high grade-point average with the past two semesters being no exception coming in with a 3.47 & 3.5 respectively. This is the highest GPA for fraternities on campus, beating the next competitor by .4, a half of a letter grade. Three of last spring's graduated seniors have gone on to continue their education at Thiel College and Duke University, with the other three happily beginning careers in their respective fields.

As for leadership on Campus, the Brothers have undertaken roles both within and outside of Kappa Sigma during the past year. The Chapter has Brothers serving as Captains of sports teams such as track, golf, volleyball, and baseball. Currently there are four Brothers working for the campus admissions department as student ambassadors for the school. Finally, two Brothers have taken on leads in school theatre productions throughout the past year.

As for service, Xi-Epsilon has held many creative events that support the Military Heroes Campaign. Most notably the Chapter held its 25th Annual See-Saw-A-Thon in which the Brothers rode on a large Seesaw for 72 consecutive hours from October 16-18, 2019. This event turned out to be very successful for the Brothers of Xi-Epsilon as they raised \$4,200 for the weekend. A 9/11 stair walk demonstration in which each Chapter Brother climbed 110 flights of stairs to pay tribute to the first responders who did the same during the attacks on September 11, 2001. Local firefighters and EMS responders came to watch the demonstration and share their appreciation.

Xi-Iota (Columbus State University)

The Xi-Iota Chapter at Columbus State University participated with one of their favorite philanthropy events, Kappa Sigma's First Responders Day, on September 11th, 2020.

Xi-Iota started the year off right by once again having an outstanding fall pledge class. The Chapter continues to have the largest Fraternity on campus and is heavily involved on campus. The Chapter participated with one of their favorite philanthropy events, Kappa Sigma First Responders Day, on September 11, 2020. The Brothers visited fire station #8 in Columbus, GA and fed the firefighters lunch. Unfortunately, due to the COVID outbreak this year, Xi-Iota was unable to conduct the 14th Annual "Shave to Save" event on campus. This amazing philanthropy event will be held next year in October 2021. The Brothers are looking forward to attending the 2020 Leadership Conference in Las Vegas on January 8-10, 2021.

Chapter Celestial

In memory and honor of those Brothers who have gone on unto that rest...

Alpha-Sigma (The Ohio State University)

Judge H. William Pollitt, Jr. (Alpha-Sigma, The Ohio State University, '68) joined the Chapter Celestial on August 13, 2020.

Brother Pollitt played football for Woody Hayes at The Ohio State University from 1966 to 1970 on teams that featured a number of other Kappa Sigma players. Brother

Pollitt was a member of the Buckeyes' 1968 national championship team.

Brother Pollitt's career in public service began in 1978 as an assistant attorney in the office of then-Columbus (OH) City Attorney and fellow Kappa Sigma Greg Lashutka (Alpha-Sigma, The Ohio State University, '64).

Brother Pollitt was appointed as a Judge to the Franklin County Municipal Court in Columbus, Ohio, by Governor George Voinovich in 1996. He was elected to retain the seat the following year and won all his subsequent elections, serving on the Court for 24 years.

Brother Pollitt is survived by his wife, Lee, and his two daughters.

Beta (University of Alabama)

Brother Thomas Parks Davis (Beta, University of Alabama, '87) joined the Chapter Celestial on August 22, 2020 at the age of 77. Brother Davis was first introduced to the Beta Chapter in 1983 as a Faculty Advisor. One of Davis' most meaningful life moments was his initiation at Conclave as a model initiate

in Indianapolis, Indiana on July 24, 1987.

From 1983 -2012, Davis held numerous titles within the Fraternity: Faculty Advisor, Assistant Alumnus Advisor, Alumnus Advisor, Assistant District Grand Master and he became one of Jackson's Men in 2005. Davis' dedication assisted the Chapter through significant enrollment growth at the university across numerous campus administrations.

Retired President of The University of Alabama, Dr. Judy L. Bonner says "he always had time to help college students. Tommy had high expectations for students, but he communicated those expectations clearly and he provided a helping hand or a second chance if a student needed it."

Davis was the son of John Carlin Davis and Eileen Parks Davis of Mobile, Alabama. Davis attended McGill

Institute, Spring Hill College and later received his M.A. in Counseling from The University of Alabama. After college, he returned to McGill-Toolen where he was a guidance counselor and vice principal. In 1978, Davis joined The University of Alabama as the Mobile Regional Director of Admissions. His performance in the role advanced him to lead the University's Admissions team as Senior Associate Director of Admissions until his retirement in 2001.

After retirement, Davis was appointed by Alabama Governor Donald E. Siegelman to serve on the Alabama Commission on Higher Education from 2003 until 2011. He was ultimately named Chairman and served as such from 2008 to 2010. He was known to say, "challenging times require strong leadership."

He was inducted into the Beta Chapter of Kappa Sigma Hall of Fame in 2007. While his awards are many, among his most rewarding accomplishments was helping the men of Beta Chapter succeed in the classroom and beyond. Davis was known to help coordinate study efforts with campus tutors for those struggling in a course. The Kappa Sigma commitment to help a Brother in and out of the classroom was practiced daily by Davis. It was his life mission to see the men of Beta Chapter achieve their degrees and establish their career after graduating.

Chapter Celestial

Beta (University of Alabama)

Brother Dale Enloe Anderson passed away on Thursday, August 27, 2020 after an extended illness. Born in Sylva, North Carolina on April 11, 1927, Dale was the son of Jack and Emelyn Anderson, and was raised in Meridian, Mississippi. A member of the Boy Scouts of America, Dale attained the highest rank of Eagle

Scout. He served in the United States Army in Amsterdam and Germany.

Dale attended the University of Alabama where he was a member of the Kappa Sigma Fraternity and earned a Bachelor's Degree in business. He remained a dues-paying member of Kappa Sigma throughout his life. One of his proudest moments in life was when his grandson, Joseph A. Marquez, pledged Kappa Sigma at Millsaps College in Jackson, Mississippi, which made them brothers in the Fraternity.

Brother Marquez said, "Kappa Sigma is a special bond that my grandfather and I shared with each other. That bond meant the world to us as we shared stories and our experiences with each other. There is a standard that comes along with being a part of this organization, and my grandfather reminded me of that regularly. That standard has stayed with me all through college and now into my professional career."

"Joining Kappa Sigma was one of the best decisions I have ever made in my life" said Brother Marquez. He went on to say "I am so very thankful and feel extremely blessed. My grandfather was beyond proud and supported me every step of the way and the moments we shared

together will be with me the rest of my life and I look forward to the day I can pass the lessons he taught me to my children."

Dale spent his career working for the AC/Delco division of General Motors Corporation. Throughout his career he called on car dealerships and shops throughout the regions where he made many lifelong friends.

He was a longtime member of the Northeast Jackson Exchange Club, where he spent many years parking cars at the Mississippi Coliseum and other venues, and sold Christmas trees as a way to raise money for the charities the club supported.

After his retirement from GM in the mid-1980s, Dale took up woodworking. He was a longtime member of the Magnolia Woodturners and the Pearl River WoodCarvers, often doing demonstrations at the Mississippi Agricultural and Forestry Museum.

Dale was a founding member of St. Mark's Methodist Church on Grants Ferry Road in Brandon. He was a longtime volunteer at the Mississippi Natural Science Museum. Anderson is preceded in death by his wife of 57 years, Doris Beebe Anderson. He is survived by his sister, Jacqui Anderson French of Maitland, Florida; daughter Susan Marquez (Larry) of Madison, Mississippi; daughter Sarah Jordan (Robert) of College Grove, Tennessee. He is also survived by his beloved grandchildren, Nicole Marquez (Joe Gravier) of New Orleans, Louisiana; Lauren Jordan of Nashville, Tennessee; Joseph Marquez (Mynessia Cook) of Phoenix, Arizona; and Matthew Jordan (Jamie) of Lexington, Kentucky.

A military funeral was held at Parkway Memorial Funeral Home in Ridgeland, Mississippi.

Kappa-Alpha (University of Nevada, Las Vegas)

Brother George Scott Menke (Kappa-Alpha, University of Nevada, Las Vegas), visionary developer, veteran gaming executive, philanthropist, co-founder and Chief Executive Office of Paragon Gaming, passed away suddenly on October 12 at his Las Vegas home at 55 years old.

Mr. Menke attended the University of Nevada, Las Vegas; where he joined Kappa Sigma and began his hospitality career as an intern at his uncle Wil-

liam Bennett's Circus Circus Las Vegas hotel and casino. The experience ignited his passion for the industry, and, notably, his learned approach to guest satisfaction and the hospitality experience.

Upon graduating from UNLV's acclaimed hotel college (now the William F. Harrah College of Hospitality) in 1987, Mr. Menke earned his first management role at the newly-opened Colorado Belle resort in Laughlin, Nevada; and served in a similar capacity at the neighboring Edgewater Laughlin.

Through the tutelage of Mr. Bennett, Mr. Menke continued his rise in the industry as an executive team member

Chapter Celestial

of the Circus Circus Enterprises, oversaw development of both the Excalibur and Luxor properties and the eventual structured acquisition of Las Vegas' famed Sahara Hotel and Casino with Mr. Bennett's Gordon Gaming Corporation.

In 2000, Mr. Menke and Diana Bennett teamed to launch Paragon Gaming, a developer and operator of world-class gaming destinations.

With their combined experience, Mr. Menke and Ms. Bennett successfully guided Paragon's early efforts to acquire and revitalize distressed hotel and casino properties in California, Nevada, and Canada. In 2006, the company achieved its largest success at that time with the development and opening of the \$180 million River Cree Resort and Casino in Edmonton, Alberta. Paragon's reputation for successful turnarounds of distressed properties led to further acquisitions and opera-

tion agreements with Las Vegas' Riviera Hotel and Casino, Westgate, and OYO Casino and Hotel, as well as the Hard Rock Hotel and Casino Lake Tahoe, and the Edgewater Casino in Vancouver, British Columbia.

Paragon's accomplishments in Canada inspired Mr. Menke to conceive Parq Vancouver, an international entertainment destination located in the heart of downtown Vancouver's entertainment district.

Mr. Menke dedicated much of his life to philanthropy, serving as a member of the nonprofit UNLV Foundation, and supporting the Nevada Children's Heart Association and Boys Town Nevada. In 2016, Boys Town Nevada honored Mr. Menke with the HOPE Award in recognition of his service, commitment and dedication to making a difference in the lives of children, youth and families.

Some discounts, coverages, payment plans, and features are not available in all states, in all GEICO companies, or in all situations. The GEICO Mobile app and site received #1 rankings according to the Dynatrace Q1 and Q3 2019 Mobile Insurance Scorecards. Average savings amount based on national GEICO New Policyholder survey data through February 2020. GEICO is the second-largest private passenger auto insurer in the United States according to the 2018 A.M. Best market share report, published May 2019. Customer satisfaction based on an independent study conducted by Alan Newman Research, 2019. GEICO is a registered service mark of Government Employees Insurance Company, Washington, DC 20076; a Berkshire Hathaway Inc. subsidiary. © 2020 GEICO
